

# State Archers of California Records

To qualify as a state record, the archer must be a resident of the state and the score must be achieved in the State Indoor, State Outdoor, Cotton Boll, Duel in the Desert, or Pacific Coast Championships.

Due to unfortunate circumstances, all records were lost. These records have been painstakingly recreated. If you have documentation that you hold a record, or have documentation for corrections, please forward to Aletha Donathan at aletha.donathan@sce.com and it will be added to these records.

**A complete listing, including records for divisions that are no longer in use can be found on the SAC website at [www.calarchery.org](http://www.calarchery.org)**
