November 3rd 2007

These official records of the State Archers of California are limited to SAC members, qualified associate members resident in California, and competitors enrolled in a USA Archery College Program (CAP) at a California postsecondary educational institution. Scores must be achieved in a tournament sanctioned by the State Archers of California (see legend below). Many of these records have been recreated after the original records were lost. Please submit requests for corrections together with any documentation to Adrienne Winter at [adywin@gmail.com](mailto:adywin@gmail.com)

**Indoor Records:** Beginning in 2007 a change was made to the State Indoor score entry method. If you shot a record score for a single 18M round in 2007, or shoot one in future years, please contact me at [adywin@gmail.com](mailto:adywin@gmail.com) to have this recorded. Please contact me also if you can document a higher FITA (600) round score shot prior to 2007.
