December 1, 2017

These official records of the State Archers of California are limited to SAC members, qualified associate members resident in California or those enrolled in a USA Archery College Program (CAP) at a California postsecondary educational institution. Scores must be achieved in a tournament sanctioned by the State Archers of California (see legend below). Youth archers may claim records in all divisions for which they would otherwise qualify provided equipment, targets and distances shot are identical. To claim records or request corrections please submit the Record Claim Form available to registered users in the State Records section of the SAC website.

\*\*indicates a new or revised record.
