Thank You to Arizona for coming out to play with us, and to all of the archers in general for your willingness to stay even in spite of the devastating fires all around us. Our thoughts and prayers are with all of those that had to leave or could not make it back on the second day. We hope you and your families are all safe. Thank you to all of the people that volunteered their time to help us put on this event, for without you, it would not happen. See you all next year!
