State Archers of California Newsletter

Notes From the President

By Alister Taylor

Dear Fellow Archers and Friends,

It has been a turbulent year in many ways with world affairs (Terrorism and Iraq) and the California Governor Recall hogging the headlines in recent weeks. In archery it is always reassuring to see each other regularly and renew our friendships and relationships and realize that the really important things in life are not so grim!!

In the last year, we have reoriented the focus of the SAC board to improve the communications amongst our membership. Under the able guidance of a few new hands (Tem Mills and Kevin Sliter) as well as our hard working existing board members we have put a number of actions in place to improve things.

Firstly — the Website — we want to make more use of the website and your use of it so we are creating a number of new and upgraded sections over the next few months that will include:

- All State Records
- Current State rankings

Reorganizing SAC for the future

- Clubs News pages
We welcome and rely on your input so please don't be shy.

Photo gallery— especially from tournaments— so if you have some that you have taken (with

Getting in Step — FITA vs Olympic Round Format

by Tom Green

As I am sure all of you are aware, the Olympics are to be held next year in Athens, Greece.

The format for the past several Olympics has been a 70 meter qualification round for ranking purposes, followed by an elimination round (single elimination-individual

matches).

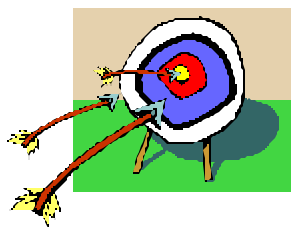

There are very few opportunities for archers in the United States to shoot the Olympic format, due to the tendency to shoot the FITA round.

(Continued on page 2)

We want to streamline things as much as possible

“There are very few opportunities for archers in the United States to shoot the Olympic format”

The OR and FITA seem like they are on the mark

President's Note

(Continued from page 1)
captions) please send them in.

SAC Awards. We will have a section on all the awards with background on each award, qualifications, tion forms and a history of previous winners. These will include the Karl Radde Award, Doug Easton Award and the Triple Crown.

- Board Minutes and news

Next we will be improving our newsletters, which have been slow coming out over the last 12 months. We will be sending out 3 per year – each prior to a major tournament so we can publicize it with information and registration information.

We will have one in the Fall (after Pac Coast and before State Indoor), one on the Spring (after State Indoor and before State Outdoor) and one in the Summer (After State Outdoor and prior to Pac Coast) so watch out for them.

We want to streamline things as much as possible so we will be sending the newsletters out by email wherever possible and they will also be posted on the website.

Scott Kronenberg, one of our literary endowed members will be taking responsibility for getting more publicity for SAC archery, our tournaments and the archers. It is a sad state of affairs that we get so little publicity over the years but we have to take responsibility for improving this and Scott is terrific.

Getting in Step — FITA vs Olympic Round Format

by Tom Green

(Continued from page 1)

In the European Grand Prix circuit, every tournament for the past few years has been and for this year will be a 70 meter round, followed by an elimination round.

This is very similar to the Olympic format. Next year all of the USAT tournaments, including the Olympic trials, will be a version of the Olympic format.

We would like to encourage all of SAC organizers to include an elimination round at their tournaments and to consider running

He gets publicity for his club (Exeter) at least once a month in either one or two local papers. So if you have a tournament or event coming up please contact Scott who will give you a hand.

One other thing that you will notice is an article by Tom Green (Congratulations by the way for becoming “Team Leader” for our Olympic team in Athens – well done) on OR rounds.

These are becoming increasingly important in modern day Target Archery and as Tom said at our meeting – “They aren’t going away!” The SAC Board has decided to put increasing emphasis on running these as part of our Annual Tournaments.

You will hear more about this in future newsletters. Our first OR round will be at State Outdoor – have fun!

I would like to make a simple request of you - our members, who we have been elected to serve.

Please give us feedback and help make sure we are fulfilling your needs. As they say – if you are satisfied – tell your friends, if not tell us!!

Go for the Gold and Happy Shooting!

Alister Taylor

other tournaments with the Olympic type format to give all of our archers, young and old, an opportunity to shoot this format before the trials.

I might suggest, for the youth divisions, the targets could be set at their longest distance.

The 2004 California State Outdoor will have an OR round. Details in the next issue.

Tom Green
Olympic Team Leader

Presses Roll at SAC Times

SAC Times, your newsletter for NAA archery in California is rolling the presses again.

The newsletter will be published three times a year to coincide with the interval between our four tournaments (State Indoor, Cotton Boll, State Outdoor, and Pacific Coast Championships).

This issue contains the results of the Pacific Coast Championships (September 20-21), the SAC state rankings for 2003, and a listing of state record holders.

There's information about the SAC awards presented this year and a feature on the Karl Radde award.

You'll also find messages from the Olympic Team Leader, our NAA representative, and the Board president.

In future issues we plan to bring you news from SAC clubs, cameos on California arch-

ers, guest articles by California archers, coaches, judges, etc., and add photos.

The SAC Board of Directors has designated two of its members as newsletter coordinators, Kevin Sliter kcsfishnrn@earthlink.net and Tem Mills temills@pacbell.net.

Kevin and Tem will be contacting clubs and individuals requesting input and feedback for the newsletter.

But, most importantly, we want this to be your newsletter, your opportunity to tell other California archers about your club and events, to learn about other activities, and to heighten your awareness of the issues facing archery in California.

This requires your participation – write a small article on your club, your JOAD club; be the contact for club news; write a letter to the editor; give us your input and your feedback.

Newsletter starts up with new organization

NAA Updates

by Brooks Matsuda

We Just finished our October meeting for 2003. So here are a few of the matters that will affect us in the West Region.

The biggest proposal was the extending the time frame of the NAA National Indoor tournament held the first two weeks in March.

The proposal in a nutshell will extend the dates from the last two (2) weeks in February to the first two weeks in March. The proposal is to take effect in 2005.

This proposal will help alleviate the time constraints some of the bidding locations were having to find a proper location.

The proposal may extend the overall time frame of the NAA Indoor Nationals, but should help ensure that the event gets maximum attendance.

The passing of the proposal should help everyone a chance to attend this national event.

The other proposal which relates to this proposal is the minimum criteria for a national indoor site.

- **The ability to set up a minimum of 10 mats and stands.** (to accommodate a minimum of 40 archers per shooting line) This was setup to minimize the number of shooting times in each location.
- **The range meets FITA requirements for a tournament that is not a FITA World Championship.**
- **The range can accommodate archers with disabilities. (accessibility)**

This proposal will take effect in 2005.

For those locations that have been chosen for 2004 it probably would be a good idea to see if you venue meets this criteria .

Feel free to contact me with any comments or questions. brooks5dan@comcast.net

Thank you,
Brooks Matsuda

“The proposal in a nutshell will extend the dates from the last two (2) weeks in February to the first two weeks in March”

New news from the NAA

State Archers Honored

The State Archers of California honors archers who make significant achievements in and for the sport.

Two of the awards laud achievement on the field; the third acclaims the citizen archer. This year's awards were all presented at the Pac Coast Championships.

There were no Junior Division compound archers this year

The **Doug Easton Award** is awarded at the State Outdoor to the senior male and female Olympic archer who attains the highest score in the State Outdoor Championships.

2003 Recipients:
Female - Janet Dykman
Male - Scott McKechnie

The **Triple Crown** is awarded annually at the Pacific Coast Championship.

It recognizes the Junior Division male and female in both the Olympic and compound disciplines who achieve the best combined score in the State Indoor, State Outdoor, and the Pacific Coast Championships.

The **Karl Radde Award** is a **very special and unique award** presented to a JOAD archer. It is awarded annually at the State Outdoor Championship. (See article in this issue on this award)

2003 Recipients:
Female Olympic – Heather King
Male Olympic – Jared Juntunen

2003 Recipient:
Jan Alfred Valdes,
Victor Valley JOAD/STP

Our State Archer Honored

The Karl Radde Award

The State Archers of California Board is pleased to announce the recipient of the 2003 Karl Radde Award.

This is an award unique to the State of California. It is an award earned by a J.O.A.D. archer for his / her dedication and service in the sport of archery and service in their community.

The Karl Radde Award is **earned** by a JOAD archer starting down a similar path of caring for the community they live in and striving to nurture the sport of archery.

Sincere congratulations to Jan Valdes, member of the Victor Valley J.O.A.D. Club, recipient of the 2003 Karl Radde Award.

Karl Radde is a man of unselfish dedication throughout his life. He served his community with a career as an officer of the California Highway Patrol. His desire to serve transformed him from competitive archer to a leader in the growth of the sport of archery in California and a name recognized in the National Archery Association organization.

As the winner of this award Jan will receive:

- **The Karl Radde Perpetual Trophy**
- **A framed Karl Radde Award Certificate**
- **S.A.C. Website recognition**
- **Paid entry fee for the 2004 California State Outdoor Championships**

“State Archers of California honors archers who make significant achievements in and for the sport.”

The Karl Radde Award
 An award unique to the State of California.

A new format for the
CA Outdoor

Clicker Control - Who has it, You or the Clicker?

by Brooks Matsuda

This article is good for the beginning archer as well as the intermediate archer.

Theoretically you the archer controls the clicker, but as we all know at times the clicker controls us.

Here is a simple drill developed by Ed Eliason to help regain or retain the control of the clicker.

The basic concept of the drill is to pull through the clicker smoothly with no jerks or reaction to the sound or feel of the clicker. You keep pulling through the shot.

You will pull approximately 1/4" past the sound or feel of the clicker.

You do approximately 30 shots / repetitions each practice.

This is a simple sounding, but demanding drill that requires a lot of concentration.

Clicker Control:

1. Start close to the bale so you will not miss the bale.
2. Warm up on a blank bale. (10 - 20 shots will do)
3. Still working on a blank bale, draw your arrow until you hear / feel your clicker. Keep pulling 1/4 inch past the clicker sound / feel.
4. Keep doing this until you reach a point that you are not reacting (jerking or flinching) to the clicker.

5. When you get to this point, pull through the first two shots and shoot the third. (still on a blank bale)
6. Once you get comfortable with this, then put up a target face and repeat the previous steps for 30 shots / repetitions each practice.

You will be surprised no matter how comfortable you have gotten with this drill on a blank bale, when you put up a target face the jerking or flinching will come back.

Just concentrate on the drill and soon you will have the control of the clicker.

Remember this is a simple but demanding drill, just keep working on it and you will be the one in control of the clicker.

Have fun,
Brooks Matsuda

*“ A new format for the
California State Outdoor
FITA / OR”*

Remember to pull past the sound of your
clicker

State Archers of California Records

To qualify as a state record, the archer must be a resident of the state and the score must be achieved in the State Indoor, State Outdoor, Cotton Boll, Duel in the Desert, or Pacific Coast Championships.

These records have been painstakingly recreated following a lost. If you have documentation that you hold a record, or have documentation for corrections, please forward to Aletha Donathan at aletha.donathan@sce.com.

A complete listing, including records for divisions that are no longer in use can be found on the SAC website at www.calarchery.org
