It was a perfect weekend for shooting at El Dorado Park. We thank all our dads for coming out and sharing their Father's Day with us. Congratulations to all our our medal winners and to our men and women California State Champions that received our Doug Easton Recurve Award and our Sandy Gottlieb Compound Award. To be eligible for our California state awards, archers must be a California resident. We did have a few archers from out of state that shot as Guests, and we thank them for coming out to shoot with us.

A special thank you to all of the volunteers that came out to help us setup the field and tear it down, as well as those that help out during the tournament. The success of these tournaments depends on our vounteers, so THANK YOU very much, we appreciate your support. We hope everyone had a great weekend, and we'll see you at the next shoot!
