

STATE ARCHERS OF CALIFORNIA

APRIL 2020 EDITION

Vice President's Message:

Good day everyone, hope all of our archery families are safe and healthy during this time. As most of you are aware, the COVID-19 Pandemic has caused many questions for which there are few answers. The State Board is following the guidelines of USA Archery and the CDC when considering cancellations and postponements.

Last month we had an emergency board meeting to discuss the upcoming tournaments — specifically, Cotton Boll and State Outdoor Championships. At this time, we have voted to postpone Cotton Boll. Given the current circumstances, the State Outdoor will be postponed, we are just waiting for the dates of the So Cal Showdown before posting the new date.

We want you to know that we are working diligently with all the tournament hosts to have a great tournament season. The season will be compressed, but hopefully we can pull through this pandemic and have a successful and competitive season and some state records broken.

Sincerely,

Justin Clarke

TOURNAMENT DATES ARE SUBJECT TO CHANGE

SAC Members,

June marks that time of year when SAC Board members are elected. So now is the time to place your name in the hat if you are interested in volunteering and serving as a board member. All SAC and collegiate member are eligible to hold a board position. The Executive Board consists of nine members. Executive Board Officers are the President, Vice President and

Secretary. The Treasurer is appointed. A minimum of two candidates for any elected position is required, otherwise positions with a single or no candidate may be appointed. Elections will be held electronically in June to include all eligible voting members. Some requirements to consider include:

- Attendance at three (3) Board meetings in the calendar year
- Serve on at least one of the SAC Committees established by the President, e.g. JOAD, Collegiate, Awards, Tournament Development
- Be present at 50% of the SAC standing tournaments
- Have a working email and telephone
- Attend the annual public meeting at the State Outdoor and the annual board meeting held mid-state.

Board members are expected to bring a passion for archery, good judgment, wisdom, an eagerness to participate/serve, a willingness to prepare for meetings and then follow up on action items and most importantly a willingness to listen to the membership and represent them to the best of your ability.

If you are interested in becoming part of SAC Board, please submit your bio and photo by April 28, 2020 to toxophilite92@gmail.com.
