2024 State Ranking Report

State Archers of California archers are ranked upon completion of the three manadatory tournaments; State Indoor, State Outdoor, and Pacific Coast. In addition to these three tournaments, an archer may attend additional ancillary tournaments and their single best finish will be added to their finishes with a 1.5 multiplier. The lowest three sets of points will then be added to determine the archers total points and ranking. In case of a points tie, the State Outdoor finish is used to break these ties. Guest competitors are not listed.
